Optional recycling collection is also weekly, with curbside pickup of unlimited sorted recyclables. Garbage must be inside the cart, with lid closed, and the cart and recycle bin(s) at the curb for collection by 7a.m. Cart lid should open toward the street. Recycle bin(s) should be at least 18” from the cart.

On snowy days, carts should be set out in the morning and not the night before, to prevent snow plows from knocking them over.
